Math workbook pages for next week: any pages not completed

- 1. This Week**— We read different versions of *The Three Little Pigs* and worked on making connections between different stories. We continued to write to 100. We are also doing LOTS of review of what we have learned this year. =)
- 2. Shoe Tying**—LOTS of kiddos have forgotten how to tie their shoes!!! Please continue to have your child practice at home. They get super frustrated on PE day when they can't remember how to do it AND their name is already on our pizza on the wall. We still have 4 kiddos who can't tie their shoes, so we continue to help them as well.
- 3. Pictures**—Spring pictures were sent home last week. Please send in money for pictures you want to purchase and return any unwanted pictures as soon as possible.
- 4. Spelling Test**— How is your child doing on the spelling tests?? If your child is struggling, PLEASE practice using the Word Wall at home—pick a letter of the alphabet and have them read the words under it; play I Spy with words on the Word Wall; give 3 clues to see if your child can pick the correct word.
- 5. Fieldtrip**—We look forward to our trip to Brown County State Park on Friday, May 5. ALL students will eat a school lunch for this trip. We had LOTS of people volunteer to be a chaperone—thanks so much for wanting to be a part of our trip! We drew names and Amy Henderson (Chesney's mom), Kristen Kelly (Aiden's mom), and Nick Messer (Kendall and Kendra's dad) were picked to chaperone! Please make sure to dress your child for the weather as we will be outside ALL DAY!! Let's hope it's sunny and 75°!!

## Dates to remember:

- May 5**—Field trip to Brown County State Park  
**May 22**—Field Day. More information to come soon. =)  
**May 25**—Kindergarten Graduation. 1:00 in the gym  
—Last day of school for students

Have a great weekend!
