ATTENDANCE POLICY

Purpose

The educational process requires a continuous sequence of instruction. When broken by a period of absences, this instruction can never be fully regained by extra work. Research shows that students who have regular school attendance achieve higher grades and enjoy school more. Students are expected to be in attendance and on time all day on which school is held. The primary purpose of a student attendance policy is to develop high standards of dependability and reliability, to promote punctuality, to develop traits of good citizenship, and to enhance academic success.

Accountability

Decatur County Community Schools is in compliance with Indiana law. School attendance laws are important for parents and students to understand. Below are Indiana's school attendance laws:

- IC 20-33-2-3.2: Children are required to attend school for the days in which school is in session. To "attend" means to be physically present: 1) in a school; or 2) at another location where the school's educational program in which a person is enrolled is being conducted, during regular school hours on a day in which the educational program in which the person is enrolled is being offered.
- IC 20-33-2-5: A student for whom education is compulsory under this chapter shall attend school for the number of days in which public school is in session: 1) in the school corporation in which the student is enrolled in Indiana; or 2) where the student is enrolled if the student is enrolled outside of Indiana.
- IC 20-33-2-44: A person who knowingly violates student attendance laws commits a Class B Misdemeanor and such offense may be judicially prosecuted.
- IC 20-33-2-25: The Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school in violation of law to an intake officer of the Juvenile Court or the Department of Children and Family Services.

- IC 20-20-8-8: The definition of a habitual truant is a student who is absent ten (10) days or more from school within a school year without being excused or without being absent under a parental request filed with the school.

In an effort to ensure a high standard of attendance, students who have more than **thirty missed blocks, excused or unexcused** may be placed on an attendance contract upon further review by administration. (A block is a 90 minute period). This contract addresses any deviation from the attendance policy and may include, but is not limited to, the following actions: After School detentions, Friday Night School, ISS, any alternative to OSS program, or loss of extracurricular and/or driving privileges. Any student who fails to comply with his/her attendance contract and exceeds the allowable number of absences may be withdrawn from classes, recommended for expulsion, and/or prosecuted.

Parent/Guardian Responsibility

Students and parents are encouraged to keep track of school attendance and strongly encouraged to frequently monitor attendance through the Harmony student information system. Students are responsible for communicating with each of their teacher(s) concerning any homework/make-up work missed during a school absence(s).

A parent/guardian is also accountable throughout the school year for keeping the school informed of changes regarding address, phone number, email, or important parent/guardian contact information. The school cannot keep a parent/guardian informed of their student's attendance without proper contact information. **This includes: 1) having your phone's mailbox setup for receiving messages from the school and 2) providing a phone number that accepts incoming calls.**

Medical and social agency appointments should be made on non-school time whenever possible. If an early dismissal for such an appointment is necessary, the student *must* present a note signed by the parent or guardian requesting an early dismissal by describing the purpose for the early dismissal. The student must obtain proof of the appointment from the

medical or social service agency and submit it to the office upon returning to school for the absences to be counted as a doctor's visit.

Notification of Student Absence

Parents/guardians are required to notify the school any time a student is absent from school. Parents are expected to call or come into the school before 10 AM on the day of the absence. If unavailable to do so, a message should be left with the school. A message can be left by voicemail on the school's office phone within two days of the student's absence. If verbal contact cannot be made, the student must present a signed note from the parent or guardian explaining the reason for the absence. Parents will be allowed up to 5 call ins for the entire school year.

Early Dismissals

Parents may request early dismissals for students by a written note or phone call. These communications need to detail the reason for the request, the time for dismissal, and be signed/phoned in by the parent or guardian **BEFORE THE STUDENT LEAVES THE BUILDING.**

Upon receipt of a dismissal request from a parent, office staff will either send an early dismissal slip to the student or will directly contact the student's teacher. If the student has the pass, he/she should present it to his/her teacher at the time stated for him/her to leave on the pass. In all cases, the student should then report to the front office to sign out. If the student returns to school that day, he/she must sign in at the office upon return. Questions regarding the status of a dismissal request should be directed to the administration before the student leaves school.

All students who are ill should get a pass from their classroom teacher and should report to the front office to be assessed by the nurse. Students SHOULD NOT use cell phones to call or text parents to obtain permission to leave school.

Student Absences

All absences will be treated as unexcused without the foregoing parental documentation being given within **TWO** school days of the student's return to school. Written notes must include the parent or guardian's signature and a phone number where the parent may be reached to confirm the note.

EXCUSED ABSENCES

Absences from school shall be excused for the following reasons according to Indiana Department of Education mandates:

1. Illness verified by a note from the parent
2. Illness verified by a note from a physician
3. Recovery from accident
4. Required court attendance
5. Professional appointments – Parents are encouraged to schedule medical, dental, legal, and other necessary appointments other than during school hours. When appointments are necessary during the school day, the student shall report back to school immediately after the appointment with a signed statement from the doctor, dentist, lawyer, counselor, etc.
6. Death in the immediate family or of a relative
7. Observation or celebration of a bona fide religious holiday in accordance with Policy 5223
8. Maternity
9. Military connected families' absences related to deployment and return
10. Such other good cause may be acceptable to the Superintendent or permitted by law.

Please note that even though an absence may be documented as excused (i.e., with a doctor's excuse), the absence still counts toward the student's allowable blocks absent.

ABSENCES THAT DO NOT COUNT TOWARD THE 10 DAYS

1. Death in the immediate family (father, mother, brother, sister, grandparents, aunt, uncle, niece, nephew, or cousin)
2. Court appearance with written verification
3. Working at the polls on Election Day when pre-arranged and with written verification
4. School bus does not run its route
5. Serving as a page in the state legislature with written verification
6. Required duty with the Indiana National Guard (no more than 10 days) or Civil Air Patrol (for up to 5 days)
7. Qualifying instruction at religious organizations with the approval of an administrator
8. Absences due to school disciplinary actions
9. College visits/military training with approval from an administrator
10. Exhibits or participates in the Indiana State Fair for educational purposes with approval from an administrator

COMPLETION OF MAKE-UP WORK

Work for any of the foregoing reasons will follow these guidelines:

1. A student has minimally one day to complete make-up work for each excused absence. The deadline for completing make-up work beyond this minimum allowance is established by the teacher. Example: long term projects
2. It is the student's responsibility to request make-up work. This request should occur the day of his/her return or through email. The student is encouraged to turn in work before the absence.
3. If a student misses more than two days of class, he/she should arrange to meet with a teacher outside the school day to receive missed instruction and explanation of assignments.

UNEXCUSED ABSENCES

1. Any absence not provided for under “Excused Absences” will be considered unexcused.
2. Any student who accumulates five unexcused absences (excluding suspensions) during a given semester may be withdrawn from the class with an F.
3. Any student who accumulates five unexcused days of absences (excluding suspensions) during a given semester may be recommended for expulsion by administration and reported to the department of child services or juvenile probation.
4. A habitual truant is defined as any student exceeding four unexcused absences.
5. Days that students spend suspended are considered excused; however, these days do not count against the total number of days missed nor against the maximum number of excused absences allowed per semester. Requests for homework may be made by parents or students during suspensions, but the requests are not binding on the students’ teachers to provide assignments during this time. Students may upon return to school be given one day to make up any work missed during a suspension upon return to school at the teacher’s discretion.
6. Assignments and tests missed during an unexcused absence may be made up at teacher discretion.

ADVANCED ABSENCES

Advanced absences may be excused only when the reason for the absence is covered under the excused section of the policy. All other requests for advanced absences will be considered unexcused. Advanced absences will not be approved as excused if:

1. The student has not turned in a completed advanced absence form.
2. The form is not approved by the principal’s office by 3:00 p.m. prior to the first day of the absence.

3. The request covers any period or day in which the student is scheduled for a final examination.
4. The number of days absent as requested through the advanced absence will give the student a total of ten or more absences for the semester.
5. Field trips, although not counted for a student's total days absent as per the attendance policy, also affect the amount of instruction a student receives. It should also be noted that the sponsoring teacher and/or administration can deny a student the privilege of participating in a field trip because of disciplinary issues and poor academic standing.

EXTENDED ILLNESS

To qualify for the extended illness policy, a student must meet one or more of the following guidelines:

1. In-patient or outpatient hospital treatment
2. Infectious illness or disease, which by Indiana State Board of Health regulations requires exclusion from school
3. Other long-term illness or injury that results in being under a physician's care for three or more consecutive days

If one of these guidelines is met, the student must present a statement signed by a physician confirming the dates of illness and justifying the request.

TARDY POLICY

Late to School: Any student arriving late to school is required to sign-in at the front office. A student will be considered late to school if the student arrives at his/her assigned first period classroom up to fifty (50) minutes late, the student will be issued a tardy. After 50 minutes the student will be counted as absent from that block. **He/she must have a parent or guardian contact the front office to provide verification of their knowledge of their child's lateness to school *prior* to or upon the student's arrival to school.**

Tardy to Class: A student will be considered tardy if she/he is late to class. The teacher shall monitor student tardiness. Administration will monitor tardies beyond 6 and may assign alternative consequences for habitual tardiness.

- First and second tardy in any one block -recorded in Harmony.
- Third tardy for any one block - referral to office by teacher with after school detention as discipline action.
- Second referral to office for tardiness (from the same block or first referral to office from any other block) - Discipline action will be Friday Night School.
- Third referral to office for tardiness – 2 Friday Night Schools
- Fourth referral to office for tardiness – one-day suspension
- Fifth referral to office for tardiness – three-day suspension

Block Absence: Any student who is more than fifty (50) minutes late to class is considered absent from the block. This is recorded as a block of absence in the student’s attendance record.

E-Learning

E-Learning attendance will be taken and monitored by the main office. Students' attendance on E-Learning will be counted when a student logs into Canvas.

HABITUAL ABSENCES/TRUANCY

The compulsory attendance law of the State of Indiana requires each child who is more than seven years of age, and not more than sixteen years of age to be in school each day that school is in session.

The superintendent or his designee may report a child who is habitually absent from school in violation of this law to an intake officer of the juvenile court.

The policy regarding truancy at Decatur County Community Schools is as follows:

Truancy is defined as being absent from school or an assigned area without a valid excuse acceptable to the district.

First Offense: Letter to parent and Friday Night School

Second Offense: Letter to parent, parent conference, 2 Friday Night Schools

Third Offense: The student will be declared a habitual truant and expulsion from school will be requested.

- The principal will send written notice of such habitual truancy status to the Bureau of Motor Vehicles. A copy of the notice will be sent to the parents. A review of the student's attendance record will be undertaken by the Principal at the end of each semester, in order to determine whether the student may become eligible for a driver's license. The school board upon recommendation of the principal may determine that the attendance record has improved to an extent that eligibility for a driver's license should be restored, and shall cause notice to be issued to BMV and the student's parents.

WITHDRAWAL/STUDENT TRANSFER

Students who find it necessary to withdraw or transfer need to report to the guidance counselor's office to complete this procedure. Any student above the age of 16, but not eighteen, must participate in an exit interview with the principal.

CHANGE OF ADDRESS

Inform the Guidance Office if you have a change of address, email address, or telephone number. This will assist the school in case of emergencies.

DISCIPLINE

The learning environment and student/staff safety is of the utmost importance. Students will not keep other students from learning or keep teachers from teaching. The teacher shall be in charge of the learning environment in the classroom. If students do not respond to correction, or if the misconduct is serious, the teacher or assistant will take disciplinary action.

The superintendent, principal, any administrative personnel, or any teacher of the school corporation shall be authorized to take any action in connection with student behavior, in addition to the actions specifically provided in the code, * reasonably desirable or necessary to help any student, to further school purposes, or to prevent

an interference therewith, such action including such matters as:

- (1) Counseling with a student or group of students;
- (2) Conferences with a parent or group of parents;
- (3) Assigning students additional work;
- (4) Rearranging class schedules;
- (5) Requiring a student to remain at school after regular school hours to do additional school work or for counseling or;
- (6) Restriction of extracurricular activity.

*Other actions specifically provided in the Indiana Code include suspension, and expulsion.

A visit to the Principal or Assistant Principal for disciplinary reasons is considered to be serious. Parents will be sent an email with a brief account of the behavior that led to the visit. A record of such visits is kept in the office. Parents are asked to support the school rules and instruct their children regarding the importance of maintaining an orderly school environment. If parents have questions about an incident that involved their child, they are urged to contact the school, but at a time when the child is not present.

If a student continues to misbehave after a visit to the office, or for extreme first offenses, and a warning from the Principal or Administrative Assistant does not seem to be sufficient, more serious actions will be taken. The actions may include those listed above and/or lunch-time detention, after school detention or out of school suspension, and expulsion. Parents will be contacted by phone, email, or by letter if any of the actions in this paragraph were implemented.

Parents are urged to become involved with school officials before situations become very serious. School officials will try to work with parents to develop plans of discipline. However, school officials remain in charge and make the final decisions regarding rules, discipline and punishment after considering the good of the student, the class, and the school.

STUDENT CONDUCT DISRUPTIVE BEHAVIOR

Although it is impossible to list all kinds of disruptive behavior, the following examples will not be tolerated and could result in any type of disciplinary action permitted by law.

1. Directing verbal abuse to, threatening, bullying, or intimidating school personnel and/or students.

2. Engaging in theft or vandalism.
3. Refusing to report, or failing to report, to proper school personnel directed.
4. Carrying deadly weapons, or firearms, which can do bodily harm.

1. A first offense may result in a (1-4) day suspension. (Friday Night School detention is an option at the discretion of the Principal.) Notification of the suspension will be given to the parents by email and or phone call.
2. A second offense may result in a (1-10) day suspension. Notification of the suspension will be given to the parents by certified mail and a conference with

the parents, student, and principal will be arranged before the student is reinstated.

3. Continued offenses will result in a recommendation to the Superintendent for expulsion. The principal will recommend the disruptive student be placed on suspension until the expulsion completion of due process.

Suspension shall mean any disciplinary action where a student is suspended from school or class attendance for no more than ten (10) school days.

Expulsion shall mean any disciplinary action whereby a student is separated from school attendance for a period in excess of ten (10) school days, or for the balance of the current semester (unless makeup of tests permitted).

School administration reserves the right to by-pass steps 1 and 2 and move straight to suspending any student with a recommendation of expulsion for any violation that is deemed serious by school officials.

AFTER SCHOOL DETENTION

Students may be subject to detention before, during or after school hours, as assigned for correction purposes.

After school detention will extend from 3:25 p.m. until 4:10 p.m., or until dismissed by the teacher in charge. Any student who does not attend their assigned after-school detention will be reported to the Assistant Principal for additional discipline. Detention will be held regularly on Monday, Tuesday, and Thursday afternoons with special sessions available upon scheduling by the building administration.

**Students who fail to attend assigned after-school detention will receive a Friday Night School. Students are allowed ONE reschedule per year for after-school detentions or Friday night schools. All reschedules must be made by a parent phone call to the assistant principal by noon of the scheduled detention.

SHORT TERM SUSPENSION

The Principal may deny a student the right to attend school and take part in any school function for a period of up to ten (10) school days. Such suspensions may take place after a principal has conducted a thorough investigation and determined that suspension is necessary in order to help the student, further school purposes, or to prevent an interference with school purposes. Suspension may also be imposed for student misconduct, substantial disobedience/violation of the school's rules, or for violation of any of the regulations constituting grounds for expulsion. When a

student is suspended for a specified number of days, he/she will miss that exact number of days. If school is canceled for any reason, day(s) will be added to the end of the scheduled suspension.

FRIDAY NIGHT SCHOOL RULES

1. All students are to report on time, 3:30 - 6:15.
2. All students will work in a designated area of the school as assigned by the supervisor.

5. Food and beverages will not be allowed.
6. No sleeping is allowed.
7. The Friday Night School Teacher has total authority over FNS students.
8. Any child that doesn't follow posted rules of FNS will be suspended for 3 days.
9. Transportation will not be provided by the district.
10. Refusal to serve Friday Night School will result in a 3 day out-of-school suspension.

RESTRAINT AND SECLUSION OF STUDENTS

As part of the emergency procedures in place in our schools, no student will be restrained and/or placed in seclusion by school staff, unless the student's behavior poses an imminent risk of injury to him/herself or others. However, significant violations of the law, including assaults on students and staff will be reported to law enforcement. As soon as possible after any such use of restraint and/or seclusion, the parents or guardian will be informed when any of these actions have occurred and will be provided with a detailed account of the incident, including the circumstances that led to the use of restraint and/or seclusion.

REASONS FOR EXPULSION

- A. As teachers and students are brought together so that learning may take place in the Decatur County Community Schools, an environment, which permits an orderly and efficient operation of the school, must be provided.
- B. This environment, most of all, comes through consideration and self-discipline so that individuals do not allow themselves to infringe upon the rights of others as they seek expressions for their own just and legal privileges as members of the school and society. The responsibility for development and maintenance of this self-discipline falls to a combined effort of students, parents, teachers, administrators, and to the community. When self-discipline fails, however, regulations for management of school behavior must be outlined by those responsible for the operation of the schools. The Decatur County Community Schools has this legal responsibility. The Board has set policies and has appointed administrative officers to carry them out. Authority for such Board responsibility is included in the School Powers Act and Student Due Process Code of the Indiana General Assembly, and in the Policy Manual of the Decatur County Community Schools. A breach of discipline may result in reprimand, corporal punishment, probation, referral to special personnel in the school, parent conferences, suspension, or expulsion. The maximum term of an expulsion may not be for longer than the remainder of the school year in which the expulsion took effect if the misconduct occurs during the first semester. Whenever the student is expelled during the second semester, the expulsion remains in effect for summer school and may remain in effect for the first semester of the following school year. Expulsion may be imposed for student misconduct, substantial disobedience, or violation of the school's rules. The following are grounds for expulsion from school:
- C. Specific Rules
1. Using violence, force, noise, coercion, threat, intimidation, fear, passive resistance, bullying, or other comparable conduct constituting an interference with school purposes, or urging other students to engage in such conduct. The following enumeration is only illustrative and not limited to the type of conduct prohibited by this subdivision:
 - a. Occupying any school building, school grounds, or part thereof with intent to deprive others of its use.
 - b. Blocking the entrance or exits of any school building or corridor or room therein with intent to deprive others of lawful access to or from, or use of the building, corridor, or room.

2. Causing or attempting to cause damage to school property, stealing or attempting to steal school property.
 3. Causing or attempting to cause damage to private property, stealing or attempting to steal private property.
 4. Intentionally causing or attempting to cause physical injury or intentionally behaving in such a way as could reasonably cause physical injury to any person. Self-defense or reasonable action undertaken on the reasonable belief that it was necessary to protect some other person does not, however, constitute a violation of this provision.
 5. Threatening or intimidating any student for the purpose of, or with the intent of, obtaining money or anything of value from the student.
 6. Knowingly possessing, handling, or transmitting a knife or any object that can reasonably be considered a weapon.

 8. Engaging in the unlawful selling of a controlled substance or engaging in a criminal law violation that constitutes a danger to other students or constitutes an interference with school purposes or an educational function.
 9. Failing in a substantial number of instances to comply with directions of teachers or other school personnel during any period of time when the student is properly under their supervision, where the failure constitutes an interference with school purposes or an educational function.
 10. Engaging in any activity forbidden by the laws of Indiana that constitutes an interference with school purposes or an educational function.
 11. Violating or repeatedly violating any rules that are reasonable necessary in carrying out school purposes or an educational function and are validly

adopted in accordance with Indiana law, including, but not limited to:

 13. Failing to report the actions or plans of another person to a teacher or administrator where those actions or plans, if carried out, could result in harm to another person or persons or damage property when the student has information about such actions or plan.
 14. Aiding, assisting, or conspiring with another person to violate these student conduct rules, state law, or federal law.

- any combination of parts either designed or intended for use in converting any device into any destructive device described in the two immediately preceding examples, and from which a destructive device may be readily assembled
- c. The penalty for possession of a firearm: 10 days suspension and expulsion from school for one calendar year. The length of the expulsion may be reduced by the superintendent if the circumstances warrant such reduction.
 - d. The superintendent shall notify the county prosecuting attorney's office when a student is expelled under this rule.

Replacement Policy - Special Update - June 2024 - Legislative Changes

5136 - PERSONAL COMMUNICATION DEVICES

The School Board believes that attendance at school should occupy a student's full attention and that the educational process should be safe and free from distraction and disruption.

Personal communication devices (PCDs) as used in this policy are defined in Bylaw 0100 - Definitions.

Students are prohibited from using a PCD during instructional time except that:

- A. a teacher may allow a student to use a PCD for educational purposes during instructional time;
- B. a student may use a PCD to manage the student's health care or in the event of an emergency; or
- C. a student may use a PCD if the use of a PCD is included in the student's individualized education program or Section 504 plan.

Students otherwise are permitted to use PCDs in school, before and after school hours, on School Corporation property, during their lunch break, between classes, during after-school activities (e.g., extra-curricular activities), and at school-related functions as long as they do not create a distraction, disruption or otherwise interfere with the educational environment. Use of a PCD on Corporation property that results in a distraction, disruption or otherwise interferes with the educational environment shall not be tolerated and may result in the loss of use of the PCD while on Corporation property.

Students may use PCDs while riding to and from school on a Corporation bus or other Corporation vehicle, or on a Corporation bus or other Corporation vehicle during school-sponsored activities. Distracting behavior that creates an unsafe environment shall not be tolerated and may result in the loss of use of the PCD while on a Corporation bus or other Corporation vehicle.

Students may use PCDs while riding to and from school on a Corporation bus or other Corporation vehicle or on a Corporation bus or other Corporation vehicle during school-sponsored activities at the discretion of the bus driver or classroom teacher or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment shall not be tolerated and may result in the loss of use of the PCD while on a Corporation bus or other Corporation vehicle.

Students are prohibited from using PCDs, including but not limited to those with cameras (i.e., devices that take still or motion pictures, whether in a digital or other format), in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to gymnasiums, locker rooms, shower facilities, restrooms/bathrooms, swimming pools, and any other areas where students or others may change clothes or be in any stage of undress. The Superintendent and building principals are authorized to determine other specific locations and situations where use of a PCD is absolutely prohibited. If a student needs to use a PCD to manage the student's health care or in the event of an emergency, the student should go to an area where a reasonable expectation of personal privacy does not exist, except where the emergency prevents the student from leaving the area.

Except as authorized by a teacher, administrator or IEP team/case conference committee (CCC) or Section 504 committee, students are prohibited from using

PCDs to capture, record and/or transmit the words or sounds (i.e., audio) and/or images (i.e., pictures/video) of any student, staff member or other person in school, before and after school hours, on Corporation property, during after-school activities (e.g., extra-curricular activities), and at school-related functions. Using a PCD to capture, record and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted.

Students who violate this policy and/or use a PCD to violate the privacy rights of another person may have their PCD confiscated and held until the end of the school day. If the violation involves potentially illegal activity, the confiscated-PCD may be turned over to law enforcement.

When the use of PCDs is permitted, all PCDS must be placed in silent mode and must be stored out of sight when directed by the administrator or sponsor.

When the use of PCDs is prohibited, all PCDs must be powered off completely (i.e., not just placed in vibrate or silent mode) and stored out of sight.

Students may not use PCDs to access and/or view Internet websites that otherwise are blocked to students while in school, on Corporation property, or at a school-sponsored activity.

Students shall have no expectation of confidentiality with respect to their use of PCDs while at school or on Corporation property, including school buildings, other Corporation facilities, and Corporation buses or other Corporation vehicles.

Students shall not use a PCD in any way that reasonably might create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior. In particular, students are prohibited from using PCDs to: 1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, color, national origin, sex (including sexual orientation/transgender identity), disability, age, religion, ancestry, or political beliefs; and 2) engage in "sexting" - i.e., sending, receiving, sharing, viewing, or possessing pictures, text messages, e-mails or other materials of a sexual nature in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore,

such actions shall be reported to local law enforcement and the Indiana Department of Child Services (DCS), as required by law.

Students also are prohibited from using a PCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using PCDs to receive such information.

Possession of a PCD by a student in school, before and after school hours, on Corporation property, during their lunch break, between classes, during after-school activities (e.g., extra-curricular activities), and at school-related functions is a privilege that may be forfeited by any student who fails to abide by the terms of this policy or otherwise abuses this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the PCD. The building principal also shall refer the matter to local law enforcement or DCS if the violation involves an illegal activity (e.g., child pornography, sexting) or child abuse. Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the PCD is confiscated, it will be released/returned to the student's parent/guardian unless the violation involves a potentially unlawful activity, in which case the PCD may be turned over to local law enforcement. A confiscated device will be marked in a removable manner with the student's name and kept in a designated area in the Principal's Office until the end of class or the end of the school day, as appropriate, for minor violations, or (end of option) held in a secure location in the building's central office until it is retrieved by the parent/guardian or turned over to local law enforcement. School officials will not search or otherwise tamper with PCDs in Corporation custody unless they reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Policy 5771 – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a PCD to school for a designated length of time or on a permanent basis.

A person who discovers a student using a PCD in violation of this policy is required to report the violation to the building principal, facility administrator, or Superintendent.

Students are personally and solely responsible for the care and security of their PCDs. The Board assumes no responsibility for damage to or theft, loss, misuse, or unauthorized use of PCDs brought onto Corporation property.

IMPORTANT NOTICE TO STUDENTS and PARENTS REGARDING CELL PHONE CONTENT

*The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is a reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.

*It is “child exploitation,” a Class C felony under I.C. 35-42-4-4 (b), for any person to (1) exhibit, photograph, or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.

*It is “child pornography,” a Class D felony under I.C. 35-42-4-4 (C), for any person/student to possess a photograph, motion picture, digitized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.

*Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.

*The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May, 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

*Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

When visiting or appearing on any internet site, students will maintain acceptable standards. These acceptable standards will be based upon the policies and regulations described in the Student Handbook.

Any posting or communication via social networking websites, school issued devices, or personal devices which disrupts either the educational or athletic environment, or which advocates the violation of any school rule would be unacceptable.

This would include but not limited to:

- The consumption of alcohol or the use of illicit drugs

STUDENT DRUG-TESTING

The Mission of DCCS

Decatur County Community Schools believes that the public school is to provide the best possible educational opportunities for all the youth of the community and for all adults who desire and want to pursue additional training or retraining. These opportunities must focus on the individual in terms of his/her interests, needs, abilities and capacities. It is the goal of Decatur County Community Schools to provide experiences, which will equip the student to meet the responsibilities required of every citizen in our American democratic society. It shall also be the goal of the school to help the individual to acquire basic skills and attitudes necessary for him/her to live a full, productive and satisfying life.

We also believe the school should make a concerted effort to affect ways of helping all individuals in human understanding and relations, tolerance, and respecting the dignity of a person. Ways must be found to help individuals strive for peace among nations, peoples, and cultures.

Since the schools are only one agency in a community contributing to the education of individuals, the school must join hands with the home and all community agencies and organizations to make a wholesome and healthful environment for all people.

Introduction

The effective date of this program is January 1, 2014. This program does not affect the current policies, practices, or rights of Decatur County Community Schools with drug and/or alcohol possession or use, where reasonable suspicion is obtained by means other than drug testing through this policy. Decatur County Community Schools reserves the right to test any student who at any time exhibits cause for reasonable suspicion of drug and/or alcohol usage.

Reasonable Concern

Decatur County Community Schools has a strong commitment to the health, safety and welfare of its students. Our commitment to maintaining the extracurricular activities in Decatur County Community Schools as a safe and secure educational environment requires a clear policy and supportive programs relating to detection, treatment, and prevention of substance abuse by students involved in extracurricular activities.

Purpose

The drug testing program is not intended to be disciplinary or punitive in nature. Students involved in extracurricular activities need to be exemplary in the eyes of the community and other students. It is the purpose of this program to prevent students from participating in extracurricular activities while he/she has drug residues in

his/her body. And it is the purpose of this program to educate, help, and direct students away from drug and alcohol abuse and toward a healthy and drug free participation. No student shall be expelled or suspended as a result of any verified “positive” test conducted by his/her school under this program other than stated herein.

Scope

Participation in extracurricular activities is a privilege. This policy applies to all Decatur County Community Schools students in grades 9-12 who wish to participate in extracurricular activities that are listed in the current student handbook *and any other school sponsored extracurricular activities not listed.* It also includes any student who wishes to drive to school, from school or during school.

Legal Obligation

Indiana Code 20-8.1-7 sets forth health measures to be governed by school officials. Most specifically, IC 20-8.1-7-2 establishes the responsibility of schools to assist children found to be ill or in need of treatment.

Drug Education

The sponsor or coach of each extracurricular activity will require the attendance of all prospective participants at one or more drug education sessions. Each prospective participant shall receive a copy of this policy. The policy will be explained to them at that time. An educational presentation will also be made to educate the student about the harmful effects and consequences of alcohol and other drug abuse. Students will receive information as to where they can seek professional help, if needed, for a use or abuse problem.

Consent Form

It is **Mandatory** that each student who participates in extracurricular activities signs and returns the “consent form” prior to participation in any extracurricular activity. Failure to comply will result in non-participation.

Each extracurricular participant shall be provided with a “consent form”, a copy of which is attached hereto, which shall be dated and signed by the participant and by the parent/guardian. In doing so, the student is agreeing to participate in the random drug testing program at North/South High School.

Testing Procedure

1. *The selection of participants to be tested will be done randomly by the principal/administrative designee, and selections will be made from time to time throughout the school year. Names will be drawn from one large pool of those agreeing to be tested. Testing may occur on a different day, Monday through Saturday. This variable schedule will keep students conscious of the possibility*

- of being tested at any time during the year. Each student will be assigned to a number that will be placed in the drawing.
2. *If the student shows signs of reasonable suspicion, the principal/administrative designee may call the student's parent/guardian and ask that the student be tested.* Factors will include but are not limited to, excessive discipline problems and/or excessive absences from school. Also, a parent/guardian may request testing of his/her student.
 3. **No student will be given advance notice or early warning of the testing.** In addition, a strict chain of custody will be enforced to eliminate invalid tests or outside influences.
 4. Upon being selected for a urinalysis test under this policy, either by random draw, reasonable suspicion, request of a parent/guardian, or a "follow-up test, a student will be required to provide a sample of "fresh" urine according to the quality control standards and policy of the laboratory conducting the urinalysis.
 5. All students will remain under school supervision until they have produced an adequate urine specimen. If unable to produce a specimen, the student will be given up to 24 ounces of fluid. If still unable to produce a specimen within two hours, the student will be taken to the principal's office and told he/she is no longer eligible for any of the extracurricular activities. In addition, the parents/guardian will be telephoned and informed the student is unable to produce a sample for the testing procedure and that he/she may be tested at a later date to be reinstated for eligibility.
 6. All specimens registering below 90.5 degrees or above 98.8 degrees Fahrenheit will be invalid. There is a heat strip on each of the specimen bottles indicating the validity of the urine specimen by temperature. If this occurs, the student must give another specimen.
 7. If it is proven that tampering or cheating has occurred during the collection, the student will become ineligible for all the "extracurricular activities" for the remainder of the school year. This will be reported to the parent/guardian.
 8. Immediately after the specimen is taken, the student may return to class with an admit slip or pass with the time he/she left the collection site. The principal/administrative designee must time and sign the pass.
 9. The specimens will then be turned over to the testing laboratory, and each specimen will be tested for alcohol, nicotine, and "street drugs" (which may include all drugs listed as controlled substances under the laws of the state of Indiana). Also "performance enhancing" drugs such as steroids may be tested.
 10. The laboratory selected must follow the standards set by the Department of Health and Human Services. It must be certified under the auspices of the

Clinical Laboratory Improvement Act (CLIA) and the Joint Commission of Accreditation of Healthcare Organizations (JCAHO).

Chain of Custody

1. The certified laboratory will provide training and direction to those who supervise the testing program, set-up the collection environment, and guarantee specimens and supervise the chain-of-custody. To maintain anonymity, the student's number, not name will be used.
2. The principal/administrative designee will be responsible for escorting students to the collection site. The student should bring all materials with him/her to the collection site and should not be allowed to go to his/her locker. (The administrator should not bring all the students drawn from the pool to the collection simultaneously. Calling four or five students at a time allows the collections to be carried out quickly and will not cause students to wait a long time, thereby creating a loss of important time from class. Athletes may be called after school, perhaps during practice time).
3. Before the student's urine sample is tested by the laboratory, the student will agree to fill out, sign and date any form which may be required by the testing laboratory. If a student chooses, he/she may notify the administrator that he/she is taking a prescription medication.
4. A sanitized kit containing a specimen bottle will be given to each student. The bottle will remain in the student's possession until a seal is placed upon the bottle. The student will sign that the specimen has been sealed. *The seal may be broken only by the lab testing the specimen.*
5. If the seal is tampered with or broken, after leaving the student's possession and prior to arriving at the lab, the specimen is invalid. The student will be called again as soon as possible. The student will remain eligible for extracurricular activities subsequent to a retest.
6. The supervisor obtaining the urine specimen will be of the same gender as the student. Students will be instructed to remove all coats and wash their hands in the presence of the supervisor prior to entering the restroom. The door will be closed so that the student is by himself/herself in the restroom to provide a urine specimen. The supervisor will wait outside the restroom. The student will have two minutes to produce a urine specimen. The commode will contain a blue dye so the water cannot be used to dilute the sample. The faucets in the restrooms will be shut off.
7. After it has been sealed, the specimen will be transported to the testing laboratory by lab personnel. The testing laboratory will report the results back to the principal/administrative designee.

8. In order to maintain confidentiality, the container which contains the urine specimen to be tested will not have the name of the student on the container. Instead, the student's random identification number will appear on the container. Also the results sheet for the urinalysis will be mailed back to the principal/administrative designee with no name attached; only the students random identification number will appear on the results sheet.

Test Results

1. This program seeks to provide needed help for students who have a verified "positive" test. The students health, welfare, and safety will be the reason for preventing students from participation in extracurricular activities.
2. The principal/administrative designee will be notified of a student testing "positive" (that is, if the test shows that drug residues are in the student's system after using at least two different types of analysis). The principal/administrative designee will notify the student and his/her parent/guardian. The student or his/her parent/guardian may submit any documented prescription, explanation, or information which will be considered in determining whether a "positive" test has been satisfactorily explained. In addition, the student or parent/guardian may appeal by requesting that the urine specimen be tested again by the certified laboratory at a cost to the student or his/her parent/guardian.
3. If the test is verified "positive", the principal/administrative designee will meet with the student and his/her parent/guardian at a school corporation facility. The student and parent/guardian will be given the names of counseling and assistance agencies that the family may want to contact for help. The student will be prevented from participating in extracurricular activities until after a "follow-up" test is requested by the principal/administrative designee and the results are reported. *A follow-up test will be requested by the principal/administrative designee after such an interval of time that the substance previously found would normally have been eliminated from the body. If this "follow-up" test is negative, the student will be allowed to resume extracurricular activities.* If a second "positive" result is obtained from the "follow-up" test, or any later test of that participant, *the same previous procedure* shall be followed. In addition, the Decatur County Community Schools reserves the right to continue testing at any time during the remaining school year any participating student who tested "positive" and did not make satisfactory explanation.
4. Information on a verified "positive" test result will be shared on a "need to know" basis with the student's coach or sponsor. The results of the "negative" tests will be kept confidential to protect the identity of all students being tested.

5. Drug testing result sheets will be returned to the principal/administrative designee identifying students by number, not by name. Names of students tested won't be kept in open files or on any computer. Result sheets will be locked and secured in a location only the principal/administrative designee has access to.

Financial Responsibility

1. Under this policy, Decatur County Community Schools will pay for all initial random drug tests, all initial reasonable suspicion drug tests, and all initial "follow-up" drug tests. (Once a student has a verified "positive" test result and has subsequently tested negative from a "follow-up" test, *any future "follow-up" drug test that must be conducted will be paid for by the student or his/her parent/guardian*).
2. A request on appeal for another test of a "positive" urine specimen is the financial responsibility of the student or his/her parent/guardian.
3. Counseling and subsequent treatment by non-school agencies is the financial responsibility of the student or his/her parent/guardian.

Confidentiality

Under this drug testing program, any staff, coach or sponsor of Decatur County Community Schools who may have knowledge of the results of a drug test will not divulge to anyone the results of the test or the disposition of the student involved, other than in the case of a legal subpoena being made upon that person in the course of a legal investigation. Once again, this will underscore Decatur County Community Schools commitment to confidentiality with regards to the program.

Other Rules

Apart from this drug testing program, Decatur County Community Schools Athletic Association and the coaching staff/sponsor of each sport/activity have their own training rules and requirements. Coaches/sponsors have the necessary authority to enforce those rules. Any student who violates a rule or requirement as a member of a team or activity will be subject to the consequences as defined in those rules and requirements.

DRESS AND APPEARANCE

Any clothing or appearance, which causes a substantial disruption of the daily operation of the school is prohibited and students must abide by the following:

1. No exposure of private areas/undergarments (underwear, bras, bottoms, breasts, cleavage, bellies, and mid-thigh). This includes shorts and holes in jeans.
2. No clothing with vulgar language, illegal drugs, or hate speech.
3. No wallet chains or any chains that would be considered a weapon.

4. Headwear (except when permitted on certain spirit days or religious purposes), including bandanas, is not to be worn in the building.
5. Sweatshirt hoods may not be worn in the building
6. Certain academic area classes may require a more stringent requirement regarding dress. The school reserves the right to impose other reasonable requirements due to health or safety concerns while involved in certain activities.
7. Blankets **will not** be allowed in school.
1st Offense: Warning - Student will be required to change. **Per semester**
2nd Offense: Warning - Student will be required to change. **Per semester**
3rd or More Offense: Detention - Students will be required to change. **Per semester**

RESPECT FOR PROPERTY

Students are fortunate to have the use of excellent facilities. We should be proud of the extensive effort put forth by the citizens of our community to provide these facilities. Everyone using the building should show genuine respect for that effort by doing his or her part to keep the building in pristine condition.

Students who exhibit disrespect, damage, or destroy school property shall face disciplinary consequences. Parents/guardians will be held financially responsible for careless or malicious damage to the building or equipment.

HALL PASSES

Students are not permitted out of class without permission. Students must have a signed pass when leaving the classroom.

STUDENTS IN THE BUILDING AFTER SCHOOL

Students are not to be in the building during non-school hours unless for an approved school activity, supervised by a staff member.

STUDENT/DRIVING PARKING

Student parking will be by permit only with an assigned parking space. Failure to display the parking sticker, or parking in the wrong assignment area, may result in a temporary loss of driving privileges (with continued offenses leading to total revocation of this privilege). Parking spaces, permits and stickers may be obtained in

the main office. Any driving infractions may result in temporary loss of driving privileges (with continued offenses leading to total revocation of this privilege). The SRO may issue a written ticket for driving infractions.

First offense will be a *loss of driving privileges for 1 week.*

Second offense will be a *loss of driving privileges for 2 weeks.*

Third offense will be a *loss of driving privileges for the remainder of the semester.*

USE OF TELEPHONE

Students will not be called from classes for telephone calls except in cases of emergency. The office telephone may be used by students to make **EMERGENCY CALLS ONLY**, and with the permission of an adult staff member.

VISITORS

Visitors with valid business purposes are permitted in the main office. Visitors will need to check in with the main office secretary. Visitors are not permitted in the building during regular school days for social reasons. This includes the children of present students, regardless of age. All visitors are asked to park in the visitor spaces provided near the front entrance of the school (Door #1) and to enter through the main entrance of the building. Visitors **MUST** obtain a **VISITOR'S BADGE** and sign-in the office.

HEALTH SERVICE

Parents are encouraged to keep the school informed of their child's health status by communicating with the school nurse. Each student is required to have an updated Emergency Medical Authorization & Health History form completed and on file at the start of the new school year. The consent for treatment section must be addressed. It is crucial for the school nurse to be aware of any student allergies to medications, foods, or insects. Students prescribed an emergency medication will need to have an authorization form on file.

School Clinic

If a student should become ill during the day, he/she should obtain a pass from their teacher to come to the health clinic. A student admitted into the clinic may be allowed to rest in the clinic for no more than one class period, unless they are being sent home.

- Any student going home due to illness **MUST** go through the health clinic, and they must follow the proper sign-out procedure. Failure to do so will result in the absence being unexcused.
- Reasons for sending students home ill may include, but not be limited to:
 - Temperature of 100.4 F or above, they should not return until fever-free for 24 hours, without the use of fever-reducing medications.
 - Confirmed vomiting and/or diarrhea occurring two or more times.
 - Signs and symptoms of communicable disease processes or contagious infections.
 - Injuries.
 - Abnormal vital signs.
 - Hypoglycemia/Hyperglycemia
 - Pain
 - Active case of head lice/nits
- Parents, or Guardians, should be prepared to arrange transportation for ill students promptly upon notification.

MEDICATION POLICY

Dispensing Medication - Medication should be taken at home if possible. If it is necessary to take medicine at school, it should be kept and taken in the school health clinic. Any required forms can be obtained from the school nurse and should be completed each school year. The following requirements must be met for medication to be dispensed at school.

1. Prescription Medications require a permission form to be completed by the parent/guardian and signed by the prescribing provider.

- a. All **prescription drugs** must be in their **original labeled pharmacy container**. The label must include the provider's name, student's name, drug name, dosage, administration instructions, and the date it was filled.
2. Non-prescription Medications require a permission form to be completed by the parent/guardian.
 - a. All **non-prescription drugs** must be in the **original labeled container**.
2. Any medication, prescription or non-prescription that needs to be administered at school for longer than 15 days must be accompanied by a Provider's Request to Administer form.

Transporting Medication - for **uncontrolled substances**, Indiana State Law does allow a student to transport medication to school so long as it is brought directly to the clinic. **ANY CONTROLLED SUBSTANCE MUST BE BROUGHT TO SCHOOL BY A PARENT/GUARDIAN.**

1. Students in grades K-8 may NOT take home any medication from school. The parent must pick up the medication or give written authorization for someone at least 18 years of age to pick up the medicine.
2. Students in grades 9-12 can transport medication from school as long as it is NOT a controlled substance, such as a prescription medication or OTC meds.

Medicine Self-Administration - Any student diagnosed with a chronic or acute medical condition may carry and self-administer emergency medications on an as needed basis. There must be an Authorization for Self-Administration completed and filed in the clinic each school year.

Immunizations

Indiana State Law requires that all students be properly immunized against certain vaccine preventable diseases. The child's immunization information should be provided to the school not later than the first day of attendance. A student may not be permitted to attend beyond the first day of school without

furnishing the documentation unless the school gives the student a waiver or the local health department or a health care provider determines that the student's immunization schedule has been delayed due to extreme circumstances and that the required immunizations will not be completed before the first day of school. A waiver may not be granted for a period that exceeds twenty (20) school days. A detailed list of school required vaccinations can be found on the school website. There are two exceptions to the immunization requirements:

1. **Medical Exemption** - if there is a medical reason a child cannot receive a vaccine, there must be a **Vaccine Medical Exemption form** completed by a physician and filed with the school every year.
2. **Religious Objection to Immunization** - there must be a **Religious Objection form** completed each school year.

Both forms can be obtained from the school health clinic. Failure to comply with the requirements may result in the student being removed from school until immunizations are received or the proper exemption form is completed and filed. Any questions about immunizations or exemptions should be directed to the school nurse.

Head Lice Policy

The following procedure will be followed when there is a suspected case of head lice.

1. The teacher should discreetly refer the student to the health clinic.
2. The nurse will confidentially verify the presence or absence of live lice.
3. If live lice or nits are present, the parent/guardian will be notified and asked to begin immediate treatment. The student will be sent home. Educational materials and resources are available upon request.
4. The child **MUST** be treated with medicated treatment shampoo. Nits may persist after treatment, but successful treatment should kill all live lice.
5. Prior to riding the bus or returning to school, the child must be checked by the nurse to ensure there are no live lice present.

6. Student may be permitted two (2) excused absences to complete treatment.

Health Screenings

The State of Indiana requires screening of vision and hearing. According to state guidelines, if a student does not pass a screening, the examiner is required to refer the child for further testing.

- Hearing screenings are performed at grades 1, 4, 7, and 10.
- Vision screenings are performed at grades K or 1, 3, 5, and 8.

INSURANCE

For a nominal fee insurance can be purchased from an independent company. Insurance may cover students during school hours and/or on a 24-hour program. Application forms are given to students at the beginning of school, completed, and returned with their payment to the assistant principal's office. A master list of insurers is compiled and submitted to the insurance company. If a claim becomes necessary the forms are available in the office. The school is not an agent of the insurance company and is not responsible for payment of any claim.

EMERGENCY DRILLS

Emergency Drills are held in order to prepare students for the "most likely" possibilities for emergencies. It is our "best guess" for an occurrence we hope will never happen. An actual emergency, however, might require very different action from what occurs in a drill. The teacher in charge has the authority to deviate from the planned procedure, if in his or her professional judgment, the change is required to protect the safety and well being of students. Students are expected to obey the teacher in this and other situations. Drills may or may not be announced ahead of time.

1. **FIRE DRILLS:** A fire drill is planned on a monthly basis, provided weather conditions are not too severe to send students outside. The drill is announced by a continuous sounding of the fire alarm. Students are expected to remain calm and quiet so that they can receive directions from their teacher.

2. **TORNADO DRILLS:**A tornado drill is held in the fall and spring . In case of a tornado emergency, students will be instructed to proceed to the designated area. Everyone should go to the assigned area and assume a position on the floor next to an inside wall. Eyeglasses should be removed and students should place their heads between their knees and their hands over their heads. Students are again expected to remain calm and quiet so that they can receive and obey directions from their teacher.

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

"Get Inside. Lock outside doors"

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a drill and an exercise. A drill is used to create the "Muscle Memory" associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.

SCHOOL LUNCH CHARGE AND COLLECTION POLICY

The National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for meal charges. Decatur County Community Schools (DCCS) will consider the following definitions when considering meal charges and collections.

Delinquent Debt – that debt which is deemed still collectible.

Bad Debt – that debt which is deemed uncollectible.

“No Cash Back Policy” – Any remaining cash paid at the register at time of purchase will go into the student’s account instead of refunding.

Decatur County Community Schools will adhere to the following meal charge procedure.

- All cafeteria purchases are to be prepaid before meal service begins. Parents can make deposits into their students’ lunch account by cash, check, credit card or electronic funds online.
- School lunch accounts for students are not to be in a negative balance

situation.

- A student who has a negative lunch balance may not purchase “a la carte” items, including extra main entrees.
- Schools will continue to offer a complete lunch option to students K – 6th grade. Students 7th – 12th grade, with a negative lunch account balance of -\$10 or more, will be offered an alternate meal of a cold deli sandwich, vegetable, fruit, and milk at regular price until their school lunch account no longer has a negative balance.
- The Food Service Director or other school personnel will coordinate communications with the parents/guardians to resolve the matter of unpaid charges.
- An automated email will be sent out each week to the parents of students with negative lunch account balances, regardless of the amount.
- The automated call system will notify parents once a week if their student has a negative lunch account balance.
- All accounts must be settled at the end of the school year. Letters will be sent home when the negative balance is greater than -\$25 and again greater than -\$50. Negative balances greater than -\$50 at the end of the school year will be sent to a collection agency for collection.
- Students who graduate or withdraw from the corporation have 30 days to notify the corporation if they request a refund of any funds remaining in their student lunch account. If no request is received after 30 days, the student lunch account will close and the funds will be no longer available. Unclaimed balances will be transferred to the fund used by the corporation to pay any negative balances at school year end.

SCHOOL FUNCTIONS

School functions will end no later than 11:00 p.m. Students are to abide by all regulations they would normally follow during the school day while in attendance at after school functions. Parents will be informed of improper conduct and the student may be denied participation in or attendance at future extra-curricular activities. **No pass-outs will be allowed. Once you leave a function, you will not be readmitted.**

DANCE INFORMATION

Throughout the year dances may be sponsored by various school organizations. Expectations of school dances are as follow:

1. Improper behavior will be viewed the same as if it were during the day.
2. Anyone leaving the school between contest and the dance will not be readmitted.
3. Only members of the sponsoring school student body will be allowed to attend a dance. You may bring a guest if the following provisions are followed when allowed by the principal when:
 - a. Students must be willing to accept responsibility for the behavior of the guest.
 - b. Dances are for students in grades 7-12; regardless of what school they attend. Alumni may attend their respective homecoming dance ONLY.
 - c. Junior-Senior Prom

The school hosts a prom each spring for our juniors and seniors and their guests. Guests must be in good standing in grades 9 through 12 at their respective schools. All guests from other schools will undergo a reference check with that school's administration and MUST not be over the age of 20. Identification will be required on any outside student.

GUIDANCE SERVICES

Guidance services are available to every student in the school. These services include assistance with educational planning, interpretation of test scores, career information, study aids, help with home, school and/or social concerns, or any question the student would like to discuss. Your counselor will not make decisions for you but will help you find a solution to your problems. The guidance department hopes to be in contact with each student periodically throughout the school year. Students may contact their counselor personally for an appointment.

The Guidance Department will attempt to keep all seniors informed regarding post-secondary educational opportunities and scholarships. A list of all local scholarships, which have been awarded in recent years, along with State and Federal financial aid information, will be distributed to seniors in the fall. Other educational opportunities and/or special scholarships will be announced to you on daily announcements, school website and directly from your counselor. **It is important for all seniors to regularly check their school email account.** If students or parents have questions or concerns, please contact the guidance department.

CLASS CHANGES

Sufficient opportunity is provided in the spring semester, for all students to thoughtfully make course selections. Class changes in the fall will be limited to the correction of scheduling errors and academic adjustments. Further changes after the semester place the student at an immediate disadvantage. Class sizes and crowded conditions often impose additional restrictions to schedule changes. All such changes must be approved and directed by the counselors. All requests for changes must be made before the 5th full day of school. No additional changes will be considered after this time unless authorized by the principal.

GRADE PLACEMENT

High school students will be placed in the appropriate grade level by the number of years in which the student has been enrolled in high school.

1st year- Freshmen

2nd year- Sophomore

3rd year- Junior

4th year and beyond- Senior

GRADE PERIOD REPORTING & GRADING

Grade reports to parents will be made at the close of each nine-week period. Grades assigned are indicators of the student's progress during the grade period. The semester grade is the grade of record used to compute grade average and class standing. Decatur County Community Schools uses an accumulative grading scale in which the student's grade is compiled and accumulated throughout the entire

semester. Progress reports are available on-line by the fifth week of the grading period. Parents and Guardians may access Harmony after each Tuesday to check student grades. Report cards are available online the week following the end of the grading period once school resumes.

The Decatur County Community School Board grading system is as follows:

Junior High and High School

100-93	A	77-73	C
92-90	A-	72-70	C-
89-88	B+	69-68	D+

SEMESTER TESTING EXEMPTIONS

The Board of School Trustees believes that meaningful review and testing are an integral part of the learning process. Board members direct that:

For a student to be exempt from the Final Exams, (Done on a class by class basis) students will have to meet the following requirements:

1. Student will be passing each 9 weeks with an 90% or better of the class the student wants to drop
2. Students will not have any out of school suspensions
3. Students will not have any Friday Night Schools (Assigned after a date to be determined)
4. Students will not have more than 2 absences from school per semester by the beginning of the 2nd quarter first semester and the beginning of 4th quarter the second semester.
5. Students in AP courses and Dual Credit courses **cannot** exempt those finals.

If a student meets these requirements, they will be allowed to exempt 2 Final Exams of their choosing pending teacher approval. Students will be notified if they are exempt from that class's final exam. Forms will be in the office.

******Teachers are not obligated to exempt students from finals.**

WEIGHTED GRADE POLICY

The Board of Education has approved a weighted system for grades in selected upper level courses. The following courses will be given additional point value in the calculation of the student's grade point average:

1. Any Advanced Placement Course (AP) with completion of AP exam.
2. Dual Credit Senior English as outlined in the School Course Curriculum
3. The third and fourth year Project Lead the Way (PLTW) courses as defined in the PLTW curriculum.
4. Any Level IV and V Foreign Language Course.

The following weighted system shall be calculated in regards to these courses:

Regular Grade	Weighted Grade
A 4.0.	5.0
A- 3.667	4.667
B+ 3.333	4.333
B 3.0	4.0
B- 2.667	3.667
C+ 2.333	3.333
C 2.0	3.0
C- 1.667	2.667

(Any grade below C- does not receive a weighted grade factor.)

RETAKEING A CLASS

The School Board acknowledges that at times it may be necessary for a student to retake a class or a student may desire to retake a class.

A class may be retaken only if one or more of the following conditions exist:

- A. The student received a grade of F in the class.
- B. The student received a grade of C- or below and wishes to better master the content.
- C. The student received a grade of C- or below and wishes to meet the grade requirements for an Academic Honors or Technical Honors Diploma.
- D. The student has not passed at least one of the end of course exams required for graduation and seeks to become eligible for waiver consideration.

A student seeking to retake a class will make an appointment with the guidance

department. The student shall state the reason for the requested retake on the application. The guidance department will review the application. The principal will sign off on the final approval for a student to retake a class.

The following conditions apply to retaking a class:

- A. A student who is allowed to retake the second semester of a two (2) semester class may also retake the first semester on an audit basis (no credit), with permission of the principal.

Administrators will consider carefully the circumstances under which credit will be awarded for courses taken before students enter grade 9. The physical, intellectual, social, and emotional maturity of students as well as course content should be considered. In addition, the administrator will remind parents and students that there is a direct correlation between SAT and ACT scores and the number of academic courses taken in high school. Grading policies and practices will be consistent at both the high school and pre-high school levels.

The requirements for the Academic Honors Diploma may be satisfied with high school credits awarded before students enter grade 9 provided:

Standards for athletes and cheerleaders statement of code

The athletic rules are in accordance with the Indiana High School Athletic Association Constitution and By-laws. The conduct of participants in athletics is expected to be of the highest quality and in accordance with the Code of Conduct in or out of school and 365 days per year.

Enforcement of the code of conduct

The Principal shall enforce all rules and regulations as described in the Code of Conduct. All rules regarding behavior and/or training as outlined in IHSAA regulations will apply at all times. Parents and/or guardians are required to sign the acknowledgement consent, injury awareness and disclosure document indicating that they understand the Code and that the student athlete is subject to disciplinary action should they violate the Code. The Code of Conduct is in force for grades 7 - 12, 365 days per year.

Expected standards of conduct for athletes

- The good of the team is first and foremost. Once a team is eliminated, the

individual becomes the most important priority.

- No athlete will ever employ illegal tactics to gain an undeserved advantage. All athletes will dedicate themselves to the highest standards of sportsmanship.
- All athletes will care for all athletic equipment as if it were their own personal property. If equipment is damaged or destroyed through practice and/or competition, it will be repaired or replaced by the school. If equipment is lost or stolen, the athlete will have responsibility for replacement.
- All athletes will obey the specific training and practice rules for their team as provided by the coaching staff.
- Athletes should not engage in negative or unlawful activity. Drinking alcohol, taking controlled substances, using tobacco products, using profanity, and being disobedient are activities, which are harmful to athletes and their teams.
- Athletes, student managers, student trainers, and student statisticians must pass five (5) courses each grading period in order to remain eligible for athletics.
- Athletes should exhibit a positive attitude in all they attempt to do. They should work for the betterment of the school and set a good example by doing what is right and good.
- Contest officials deserve courteous respect. They are present for the purpose of assuring a fair contest.
- Athletes should be mindful and respectful of the fact that coaches, teachers, and school officials have the best interests of all athletes as they equip, schedule, and coordinate the athletic program.
- Athletes must ride to and from athletic events on the bus/van provided by the Decatur County Community Schools unless they provide prior written permission from their parent/legal guardian.
- ALL athletes must comply with the standards of our athletic code and school rules or be subject to disciplinary action, including dismissal from the team, as determined by the rules, coaches, Athletic Director, and Principal.
- In order to participate in an athletic event or practice, a student-athlete must attend school (if school is in session) by 11:30AM the day of the event/practice. The principal must approve exceptions, such as funerals, doctor/dentist appointments, etc.

IMPORTANT: The school is not asking student-athletes to make sacrifices. Sacrifice implies giving up good/positive things. We are asking our athletes to do the opposite. Live clean, think clean, and do those things, which make

you a positive team member.

ATHLETES must sign the participation and physical FORM, WHICH documents their understanding of the athletic code. PHYSICAL forms and participation/ consent forms are kept on file for one calendar year by the athletic director. PLEASE REFER TO THE ATHLETIC HANDBOOK FOR ALL RULES AND RESPONSIBILITIES OF ATHLETES.
